Chairman, Joint Chiefs of Staff
Washington, D.C. 20301

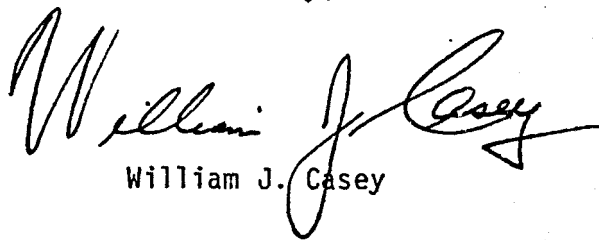

Dear General Jones:

Our staffs have been working together to develop a three-day seminar on deception operations-lessons learned.

As part of the seminar, I will host a dinner on Monday, 10 May, at 6:00 p.m. at CIA Headquarters for a small group of senior officials. The dinner will provide an opportunity for you to exchange views with these planners of past successful major deception operations. Hopefully you will find the company and the discussion stimulating and informative with respect to devising new uses of this much neglected but important instrument of national security.

Your attendance will be helpful and appreciated.

Sincerely,

William J. Casey
